Don't just take it from us, here's what some of our fabulous members say...

Rehearsal evenings at choir are the highlight of my week!

The Heart & Soul Choir is something I really look forward to every week, and I have made such wonderful friends

Joining The Heart & Soul Choir is one of the best decisions I have ever made!

I always fancied joining a choir, but worried I wasn't good enough

- I needn't have worried! Roz makes us all feel confident with her positive nurturing personality... and she makes us laugh too!

It has been wonderful to meet new friends

Everyone is so welcoming, kind, and friendly, and so incredibly genuine

I feel so lucky to be a part of The Heart & Soul Choir

When I had a spell of unemployment, singing uplifting stuff with the choir like "Something Inside So Strong" really helped

That much-needed ray of sunshine in the middle of my week!

I cannot imagine my life without the fun, friendship, laughter, love and joy that being part of the choir has given me

rehearsal without a smile on their face!

No auditions necessary, absolutely everyone welcome! www.heartandsoulchoir.co.uk
